

Yacht Organiser is a simple, fast and effective solution to organising your yacht wash-down lockers and cleaning stations onboard your vessel. Yacht Organiser is designed and tailored specifically for the yachting industry.

The Yacht Organiser System uses a 3M VBH tape which provides excellent resistance to humid and damp environments in temperatures of up to +93°C. This guarantees your equipment will remain secure. 'Peel and Stick' installation is quick and easy, however it's vital you follow the instructions to ensure the full bonding capabilities of the 3M adhesive.

Yacht Organiser offers the first off-the-shelf solution to the problem of storing marine cleaning equipment onboard superyachts and eliminating the need for expensive and time consuming bespoke solutions. Yacht cleaning products are an important part of any yachts daily maintenance and their life cycle can be significantly improved with the right storage system onboard.

So what are you waiting for?

**PUT YOUR
EQUIPMENT
IN ITS PLACE**

Yacht Organiser is proudly designed and manufactured in the UK.

OUR PRODUCT RANGE

The product range is designed to store yacht cleaning equipment used on a daily basis in a manner that frees up floor space in storage lockers, while providing a tidy and secure home for the equipment. The Yacht Organiser systems also allow your cleaning products to thoroughly air-dry, preventing the buildup of mildew. All of the systems have a small drainage hole so that your cleaning equipment can drip-dry if put away damp.

YO SQUEEGEE SYSTEM

Yacht Organiser Squeegee Holder is designed to be compatible with the older Shurhold® 8, 10, 12 and 16" Stainless Steel Squeegees, Shurhold® Swivel Base pad, Swobbit® Dual Axis Swivel plate and Swobbit® Quick Dry Adapter.

YO CHAMOIS MOP SYSTEM

Yacht Organiser Chamois Mop Holder is designed to be compatible with Shurhold® Soft-n-Thirsty Mops, Deluxe Water Sprite Mops and Swobbit® Aquazorber Drying Mops.

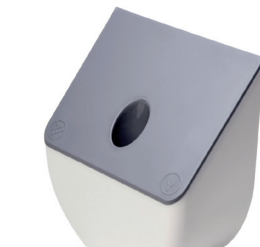

YO CHAMOIS SYSTEM

Yacht Organiser Chamois Holder is designed to be compatible with the Large Absorber® Miracle Chamois.

YO BRUSH SYSTEM

Yacht Organiser Brush System is designed to be compatible with 6 - 10" Shurhold® and Swobbit® Brushes.

YO POLE SYSTEM

Yacht Organiser Pole System is designed to be compatible with Shurhold® Telescopic Poles and Swobbit® Perfect Poles.

YO WATER BLADE SYSTEM

Yacht Organiser Water Blade Holder is designed to be compatible with Shurhold® Flexible Water Blades, Swobbit® Water Blades and One Pass Waterblades.

YO DECK BLADE SYSTEM

Yacht Organiser Deck Blade System is designed to be compatible with the standard deck squeegees used within the superyachting industry. It has a 30mm hole to accommodate the neck of the squeegee. Please check the diameter of your squeegee before purchasing this holder.
